Alison,

I got pulled away. Apologize for the delay. See attached for accessing photos and video. This is taken from the attached document. -- Terri

Mission select Photos for release will be uploaded into 3 places:

- HurricaneHarveryESF10@gmail.com Pswd: GoPackers7
This is a central repository for images so that SITL/DOCL and the response in general has access.
- EPA Email: R6HarveyPIO@EPA.GOV Once here EPA will post as they see appropriate for official releases.
- DVIDS: After Imagery is approved by the EPA PIO, it can then be uploaded into DVIDS as normal for media and public consumption.
